Payment Policy

In order to serve all clients fairly and to prevent misunderstandings, Lighthouse Memorials & Receptions have established a uniform payment policy.

It is customary to pay charges at the conclusion of the arrangement conference with your director.

To confirm scheduled events, payment of charges in full is required 48 hours before the first viewing or service, or no more than one week after the arrangement conference, whichever occurs first. Acceptable forms of payment are: check, cash, MasterCard, Visa, American Express, or Discover, funeral trust accounts and life insurance policies. A Credit Card Service fee will be added to the invoice when choosing that method of payment. Life insurance* policies may be accepted under the following conditions:

1. The policy is in force and assignable
2. The policy is an individual policy and not a group policy
3. That no loans have been taken out on the policy
4. The original policy is surrendered
5. That the beneficiary or beneficiaries all sign all necessary documents
6. The insurance company provides the mortuary with written assurance that they will pay the funeral home
7. The insurance company conveys assurance that there are enough funds in the insurance to pay for the contracted arrangements
8. That all of the above be accomplished three (3) working days prior to the morning before the first event: viewing, service or scheduling a cremation

Third party checks, future payments from estate funds and credit cards in the name of the decedent will not be accepted.

Should a credit balance result from adjustments to the contract a refund will be issued after the 15th of the month following the month in which services were held to allow time for processing of any billing adjustments received from outside service providers.

*A processing fee of 5% (contract total) will be assessed for insurance policy assignments (this does not apply to Lighthouse Memorials & Receptions enters pre-need funeral insurance plans.) Policies under two years old are generally contestable and may not be accepted. Policies must be non-contestable assignable and insurance company confirmation of beneficiary must be obtained before mortuary can accept such policies.

Preneed Arrangements

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.
