What does it mean to "Let Life Shine?"

At Lighthouse, we believe that every life is worth celebrating – when, where and how that celebration happens is entirely up to you. "Let Life Shine" is how we help your loved one's memory take center stage. Our caring, professional experts ask questions to get to know your loved one, and then help you plan a life-honoring tribute as unique and special as their life. Choose from one of our beautiful, best-in-class facilities, a local place of worship, or let us help you secure another meaningful indoor or outdoor location.
